BEYOND LUCID

Build: 6.3.3.3

© 2009-2026 by Beyond Lucid Technologies, Inc.

All rights reserved.

**Available interfaces:** Over a dozen CAD and billing systems, Pulsara, Operative IQ, Handtevy, First Arriving, ECG (including Lifepak 35), POLST and pediatric special health need registries. Share with virtually any hospital EHR or public HIE using federal standards, at no extra cost.

# MEDIVIEW THRIVE

Patient-Centric Longitudinal (Over Time) Care Data

- \* Powering America's **sustainable** CP/MIH and Co-Response programs since 2014.
- \* Built using federal health data standards. The only field documentation system for emergency, non-emergency, SDOH **and** real-time interoperability with EHR/HIEs.
- \* Partner-clients funded by the CDC, DoW, Area Agencies on Aging + private insurers.

A smartphone screen displaying the Mediview Thrive login page. The status bar at the top shows the time 11:37, signal strength, Wi-Fi, and 91% battery. The browser address bar shows 'thrive.mediviewonline.com'. The page features the 'MV-THRIVE' logo, a login form with fields for 'user name' and 'password', a 'Choose Organization' checkbox, and a 'Login' button. At the bottom, it says 'BEYOND LUCID', 'BETA Build: 6.3.3.3', and copyright information: '© 2009-2026 by Beyond Lucid Technologies, Inc. All rights reserved.'
